Located in Pekin's premier lake front community, this is a perfect example of our expandable ranch". Designed for easy access for those with limited mobility, nearly 2000 sq foot main floor, an additional 600 sq foot on second floor and a possibility for more. This home features 4 bedroom, 3 baths, and a two stall garage. Main floor features an open floor plan with three bedrooms, plenty of ceramic tile and an eat-in kitchen. The private master features compartmentalized bath and beautiful jacuzzi tub. The second floor is ideal for anything from a man-cave to a get away for out of town guests, or a bedroom for the teen who needs their privacy.
